Chudleigh Lettings

We are a family owned Residential Lettings Agency established in 2005 which offers a variety of services for both landlords and tenants for local residential lettings.

We started our business after managing our own rental properties for many years. After speaking to other local landlords, it became clear that they wanted more choice when selecting a letting agent.

What we love about our job is meeting lots of people and helping someone find their ideal home. It's also great to establish and maintain positive relationships with our landlords and tenants.

Properties to Let

Testimonials

"This is the second time we've let through Chudleigh Lettings and once again their service is excellent. Whether you are local, or out-of-area landlords like us, you genuinely couldn't find better agents all ways round!"

Rod and Kim West Sussex

"Really great experience with Ellie as our agent when moving in to a rental property that she managed. She went above and beyond to ensure that we were happy with the property before and after signing the tenancy. Would highly recommend."

Rebecca and David Calne

"Ellie and Simon were really fantastic landlords and very kind people. The renting process was so smooth and easy. My family would 100% use them in the future."

M & J Chippenham

"Ellie has been successfully managing our property for over 2 years now, always dealing with any matters professionally and efficiently. She is a lovely lady to deal with and very personable. It's a pleasure to do business with her".

CM Chippenham

"Letting a property through Chudleigh Lettings is re-assuring and efficient. We've been letting properties for over 30 years and can confidently say that Ellie and Simon provide a first-class service you can trust. For landlords who, like us, live outside the area, this is especially important and makes what

could be a challenging experience straight forward and successful. Chudleigh Lettings were recommended to us; we have no hesitation in recommending them to you."

Rod and Kim West Sussex

"Ellie has been my letting agent for a couple of years whilst I've been away from the area. I was a first time landlord and she arranged everything very professionally and without any hassle from advertising, inventory to tenancy agreement. She has since liaised with my tenant and myself regarding maintenance issues again without any hassle. I will be availing her ongoing services into the future".

CB Chippenham

"Chudleigh Lettings fully manage my property and provide complete peace of mind. I know my property and tenants are in good hands".

NP Chippenham

"I have used Chudleigh Lettings for the past five years and they have found me nice tenants in a short space of time. I have total peace of mind that they are always there for both me and my tenants."
